 CANADIAN ROCKIES HOT SPRINGS	Hot Springs Voucher Valid for one adult entry Banff Date issued: _____ Authorized By: _____ Expiry Date: _____

There are a few items that we feel are important to have on the voucher. Please review the following list of important items:

1. Expiry Date
 - a. This allows you to control how long the voucher can be used for – typically our clients issue vouchers with a one-day to one-week expiry date.
2. Where it is valid for
 - a. This is important since the Canadian Rockies Hot Springs operates Miette, Banff and the Radium facilities and the billing cost is different for each location.
1. What services are requested
 - a. Please indicate on the voucher if it is valid for an Adult or Child/Senior. Also, if you want to include towels and locker rental, please indicate this on the voucher
2. Company logo and billing address
 - a. This is important to us to ensure that we are billing the correct company and department. Also, it helps the cashiers easily identify if the voucher is valid when checking the roster of approved wholesalers.

The rest of the items on the voucher are suggested items and are up to your discretion. If you require any assistance with your voucher or have any questions, please phone the Marketing Assistant at (403) 760-1346.
